

Worksheet 2

Exercise in reading and understanding Scripture:

How is Baptism of the dead misunderstood in 1 Corinthians 15:29?

What we learn in martial arts—the fighting that we do—who is it for?

Passages to read that relate to our subject:

Read Genesis 34 bearing in mind that the word, "defiled" in Genesis 34 means to humiliate and is one of the expressions used for conjugal relations in marriage.

Read Judges 19-20 bearing in mind that the word concubine can also be understood as "wife" in this passage, and certainly the Levite is called her husband in Judges 19:3 and Judges 20:4.
